"This Is Our Munich Moment!" the horse's ass John Kerry **proclaimed** to Congress **and** to Hollande this past week in his push to bomb Syria into the stone age.

But the French are **mocking** Hollande as Obama's "lackey" who in a TV satire is seen interrupting a visit to a school to ask Obama's **permission to use the bathroom**.

This asinine, "This Is Our Munich Moment," is simply *war rhetoric pandering* to the French and is beyond pathetic... nauseating, and ultimately a false analogy and abuse of history.

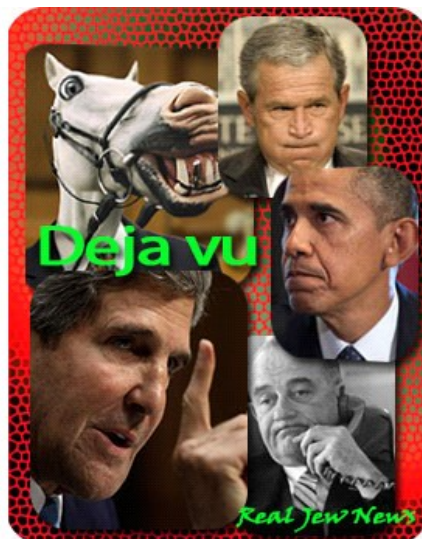

The over-used line is a reference to the policy of so-called 'appeasement' that failed to stop NS Germany in the 1930s. I'm surprised Kerry didn't add, "Are you scared yet? The Syrians are mobilizing to take the Maginot Line...oh wait."

Almost every US 'military intervention' – from WW2 to Iraq – has been **preceded** by some horse's ass saying this is our 'Munich Moment.'

"This is not the time to be silent spectators to slaughter," Kerry moralizes to us while American drones and bombs land on innocents in Yemen, Pakistan, and Afghanistan.

"This is not the time to allow a dictator unfettered use of some of the most heinous weapons on earth," vomits out Kerry.

Yet both Kerry and Obama have **arrogated** to themselves 'dictatorial powers' by **insisting** that the White House can bomb Syria even if Congress votes No.

Kerry's 'Munich Moment' bombast does not sound like the rhetoric one would use for limited 'surgical' strikes which Kerry **absurdly calls** in *Orwellian news-speak* a "political action" *not* a military one.

This is the rhetoric one uses to go to war...war in the traditional sense, like WWII, Vietnam, Iraq, Iraq again, Afghanistan, the ones that include invasions and full scale carnage...even 'humanitarian' interventions that left Libya bleeding in ruins.

With the **Jew-owned** worldwide press on his side, Kerry gets headlines in his claims that Obama has **won** key political backers...(Pelosi looks positively **love struck** at the War-Room Meeting in the White House)...and that countries around the world are **backing** a US strike.

On the contrary, only the **Jew-bought** hacks on Capitol Hill like Pelosi and Boehner as well as Israel-Firster Eric Cantor are supporting Obama. And most of the countries of the world **insist** that no decision can be made apart from a UN Security Council vote.

BUT IT ALL TURNS OUT that Kerry's 'Munich Moment' is actually yet another 'Israel-First Moment' with Kerry's Jewish speech writer, **Stephen Krupin**, a former intern of the pro-Israel think tank, The Solomon Project, penning the bombast.

It's Jewmerica everybody! It's the good 'ol JewSA we're living in! Who cares if we send our boys off to another war where **only** the Jews benefit!

But once the Jews BLEED what's left of the dying empire then the husk of a nation that was once America will be left to wither and die.

Horror of Horrors! A country that never attacked us nor threatened us NOR has plans of attacking any of its neighboring countries is suddenly having the Jew-bought Kerry calling for a “Munich Moment!”

Only a JEW could think this up AND that’s EXACTLY what Kerry’s speechwriter DID. And the JEW-OWNED Kerry is parroting the over-used Jew line.

In fact, England should have listened to Chamberlain who warned that the Jews were pushing that hapless country into the war AND permanent ruin.

Dear Real Jew News Family,

Please bear with me for a bit with regard to new Articles & Videos as I am engaged in two very time-consuming Projects:

1. I am working on my VERY OWN Video Platform 24/7 whereby I will have COMPLETE independence and won't have to be looking over my shoulder constantly on-guard against JEW censorship.

There are now 3 main Video Platforms on the net: YouTube, Vimeo, and LiveLeak.

Soon I will have my OWN Video Platform and Lord willing it will eventually expand into a 4th main Video Platform that other Truth-oriented publicists could use.

2. Due to YouTube taking down my Video, "The Real IRS Scandal," charging me with "Hate Speech," I am now working with some of my lawyers (very draining AND expensive) on an Appeal. Please pray that I get YouTube's arbitrary decision reversed.

"Hate Speech" terminology is a JEW INVENTION aimed at destroying our Gentile Founding Father's FIRST AMENDMENT.

The ADL with their BILLIONS of criminal dollars have foisted this freedom-subverting "hate speech" legalese into our judicial system to PREVENT exposure of Jewish criminality.

I WILL not bow before WICKED JEWS, CHRIST-CRUCIFIERS and am working around the clock preparing an APPEAL with my lawyers to contest YouTube's discrimination against me. (The book of Proverbs says: "The righteous bowing before the wicked is like a troubled spring and a broken down wall.")

I have uploaded my Video, "The Real IRS Scandal" on LiveLeak and SOON it will be up on my own Video Platform once I get the infrastructure, software, and Cloud System, and new Website for it all co-ordinated which may take a week or so.

"This is not the time to be silent spectators to slaughter," Kerry said. No, of course not.

They cannot wait and are just itching to actually take part in the slaughter (that they initiated) and see some more blood shed. That is what they love - more dead bodies for Baal.

It looks like Israel is going to have a false-flag attack on itself so that the attack on Syria will be justified.

This morning on RT this Alert appeared and as soon as it appeared it disappeared. I was able to file the title. There was no text. Just this title.

"RT sources: Militants may carry out chemical attack on Israel from Syria as provocation — RT News"

Preterist1951

September 9, 2013 @ 9:37 am

It's official.

RT sources: Syrian rebels plan chemical attack on Israel from Assad-controlled territories

A chemical attack may be launched on Israel by Syrian rebels from government-controlled territories as a "major provocation," a number of sources have told RT.

The news comes as Russian Foreign Minister Sergey Lavrov proposed that Syria puts its chemical weapons arsenal under international control for subsequent destruction in order to prevent a possible military strike against the war-torn republic.

Has anyone noticed that John Kerry looks different?

His face is all puffy around his cheek bones and around his eyes.

Did he have cosmetic surgery? Is he on prednisone? Is he dying?

Can't help but wonder what is going on there.

Ricky

September 9, 2013 @ 12:54 pm

I don't think it would be technically correct to call Kerry Jew-owned, because he IS a Jew himself (big surprise). His original family surname was Kohn. His wife is a Sephardic Jew from Portugal.

Of course publicly they are Catholics. But then why only marry inside the "tribe?" Because they're not really Catholics, that's why.

And yes he does look like a horse.

Terrific article, dear +BN!

Kerry truly is a horse's ass on his own, and Netanyahu's horse headed sock puppet on the one hand with his Obama the Magic Negro sock puppet on the other.

Nice research finding out just who Kerry's Israel-firster, Neocon Jew chief speechwriter is.

Stephen Krupin, with his heavy-duty interconnected Israel-first Jewish connections and who was head speechwriter for Obama for America 2012 campaign, simply further proves that the White House is the public address system for Tel Aviv.

He is not only Kerry's chief speechwriter, but I found out that Stephen Krupin also serves as a policy advisor to Kerry in the U.S. Department of State, right there along with Victoria Nuland (Nudlemann).

RT: 'Footage of chemical attack in Syria is fraud'

There is proof the footage of the alleged chemical attack in Syria was fabricated, Mother Agnes Mariam el-Salib, mother superior of St. James Monastery in Qara, Syria, told RT. She says she is about to submit her findings to the UN.

Mother Agnes, a Catholic nun, who has been living in Syria for 20 years and has been reporting actively on what has been going on in the war-ravaged country, says she carefully studied the video featuring allegedly victims of the chemical weapons attack in the Syrian village of Guta in August and now questions its authenticity.

In her interview with RT, Mother Agnes doubts so much footage could have been taken in so little time, and asks where parents of the supposedly dead children are. She promises to send her report to the UN.

The nun is indignant with the world media for apparently turning a blind eye to the Latakia massacre by rebel extremists, which left 500 civilians including women and children dead.

Russia's Foreign Ministry has called on the international community to pay attention to revelations made by Mother Agnes Mariam el-Salib.

RT: The United States has used internet photos and video footage of the supposed chemical weapons attack in Eastern Guta to build a case against the Syrian government. Have you been able to look at these files? What do you have to say about them?

Mother Agnes: I have carefully studied the footage, and I will present a written analysis on it a bit later.

I maintain that the whole affair was a frame-up. It had been staged and prepared in advance with the goal of framing the Syrian government as the perpetrator.

The key evidence is that Reuters made these files public at 6.05 in the morning.

The chemical attack is said to have been launched between 3 and 5 o'clock in the morning in Guta.

How is it even possible to collect a dozen different pieces of footage, get more than 200 kids and 300 young people together in one place, give them first aid and interview them on camera, and all that in less than three hours?

Is that realistic at all? As someone who works in the news industry, you know how long all of it would take.

The bodies of children and teenagers we see in that footage – who were they? What happened to them? Were they killed for real? And how could that happen ahead of the gas attack?

Or, if they were not killed, where did they come from? Where are their parents? How come we don't see any female bodies among all those supposedly dead children?

I am not saying that no chemical agent was used in the area – it certainly was. But I insist that the footage that is now being peddled as evidence had been fabricated in advance.

I have studied it meticulously, and I will submit my report to the UN Human Rights Commission based in Geneva.

RT: Recently you've visited Latakia and the adjacent areas, you've talked to the eyewitnesses to the massacre of civilians carried out in Latakia by Jabhat al-Nusra. What can you tell us about it?

MA: What I want to ask first of all is how the international community can ignore the brutal killing spree in Latakia on Laylat al-Qadr early in the morning of August 5, an attack that affected more than 500 people, including children, women and the elderly. They were all slaughtered.

The atrocities committed exceed any scale. But there was close to nothing about it in the international mass media. There was only one small article in "The Independent," I believe.

We sent our delegation to these villages, and our people had a look at the situation on-site, talked to the locals, and most importantly – talked to the survivors of the massacre.

I don't understand why the Western media apply double standards in this case – they talk about mass murder that the use of chemical weapons resulted in non-stop, but they keep quiet about the Latakia massacre.

~ ~ ~

Excellent interview with Mother Agnes about what truth is being suppressed by Israhell and the West in order to keep "the Syrian rebels" in the best light. For the rest of the interview and terrorist crimes of "the rebels" that rampaged in Latakia:

Yes, Ricky is correct - John Kerry's forefathers legally changed their original Jewish family's surname from "Kohn" to "Kerry" in 1900.

Henry Ford- the famous American inventor of the first inexpensive American automobile named the "Model T" and founder of the "Ford Motor Company" in one of his famous articles for the "Dearborn (Michigan USA) Independent" once informed us:

"The 'changed name,' or, as Jews know it, 'the cover name,' is a very potent part of the policy of concealment.... On this account, many Gentiles would be surprised to learn the extent to which they are involved with Jews, whose names give no indication of Jewishness."

Neville Chamberlain and the real Munich moment:

"Enter the word "appeasement" into a Google Search browser, and then click on "Images." You will see image after image after image of UK Prime Minister Neville Chamberlain, whose very name is synonymous with "appeasement" and weakness in the face of a bully.

As the story goes, Chamberlain "appeased" Hitler at the Munich Conference (September 1938) by handing over Czechoslovakia to his domination. War was thus averted, but Hitler was now emboldened by Chamberlain's "appeasement."

That's the official fairy tale.

BREAKING - Syrian Alawite Children Kidnapped By Rebels August 11 Identified By Families As Gas Victims or Chemical Poisoning reported August 21

Be sure to read RT's interview with Mother Agnes Mariam el-Salib as well, linked above. She was very much on to something at the time of the interview on September 6. (realjewnews.com/?p=847#comment-1465454)

Voltairenet.org Thierry Meyssan wrote on September 6:

Following the broadcasting of the images of the massacre in Ghouta, distributed by the

Free Syrian Army and relayed by US and French services, Alawite families from Latakia have filed a complaint for murder.

Some of these videos were filmed and posted on Youtube before the events they picture [1].

They show children suffocating from a chemical intoxication that can't possibly be sarin gas (the latter provokes yellow drool, not white drool).

The children do not correspond to a sample of the population: they are all almost of the same age and have light hair. They are not accompanied by their grieving families.

They are in fact children who were abducted by jihadists two weeks before in Alawite villages in the surroundings of Latakia, 200km away from Ghouta.

Contrary to the sayings of the Free Syrian Army and the Western services, the only identified victims of the Ghouta massacre are those belonging to families that support the Syrian government. In the videos, the individuals that show outrage against the "crimes of Bashar el-Assad" are in reality their killers.

UK Telegraph (Aug 11): Syrian Rebels Accused of Sectarian Murders

Hundreds of Alawite civilians have been killed, kidnapped or have disappeared during a rebel offensive on President Bashar al-Assad's heartland province of Latakia, local residents have reported.

Syrian rebels have pushed deep into the coastal Alawite stronghold for the first time, seizing a string of villages in a campaign which, locals have warned, threatens to open the area up to full-blown sectarian war.

"We are still finding people who were killed in their homes, and bodies left in bushes," said Sheikh Mohammed Reda Hatem, an Alawite religious leader in Latakia.

"Until now 150 Alawites from the villages have been kidnapped. There are women and children among them. We have lost all contact with them."

With the al-Qaeda-affiliated Islamic State of Iraq and the Levant spearheading the assault, the Syrian National Coalition, the main, Western backed, political opposition was forced to deny that villages had been targeted on a sectarian basis.

"The Free Syrian Army and the Syrian Coalition consider all Syrian people equal, regardless of their religious or ethnic backgrounds," it said in a statement.

It praised the offensive, stating that the villages had been used as launching posts from which pro-government militias had shelled rebel held villages in the north of the province.

No wonder Kerry, McInsane and Obombya are acting so strangely, even demonic, lying through their teeth, when certainly Western and Mossad intelligence would have figured this out, and were told to keep a lid on it. Their precious "rebels" perpetuated the mass murder at Latakia, and they surely must know it.

At congressional hearings [Sept 3 & 4] while making the case for President Barack Obama's plan for limited military action in Syria, Kerry asserted that the armed opposition to Syrian President Bashar al-Assad "has increasingly become more defined by its moderation, more defined by the breadth of its membership, and more defined by its adherence to some, you know, democratic process and to an all-inclusive, minority-protecting constitution.

"And the opposition is getting stronger by the day," Kerry told the Senate Foreign Relations Committee on Tuesday.

Kerry lied about this, and his twitchy, droopy eye and tongue-flicking tells all.

Posted on YT Sept 3:

"This footage from May and June 2013 shows battalions from the "Free Syrian Army" (FSA) declaring their unification with al-Qaeda's Jabhat al-Nusra (Nusra Front) in the eastern Damascus suburb of Eastern Ghouta and in Aleppo, both strongholds of the anti-government militants.

Although some instances have occurred where clashes between the two groups have taken place, for the most part, the FSA and al-Qaeda unite under the banner of Islamic

monotheism.
